

Preface to the following list titled:

SAY THEIR NAMES

Remembering Lynching Victims 1860 - 1950

The list was used in the 'Say Their Names' project in 2019

The project was led was by a group of volunteers from the Unitarian Universalist congregations of Concord, Stow, and Sudbury, Massachusetts. This was the introduction used a preface at each service.

Throughout Black History Month UU congregations in Concord, Stow, and Sudbury will honor, acknowledge, and say the names of lynching victims, who were targets of racial terrorism. In preparing the Say Their Names observance, we were inspired by the leadership of Maynard Anti-Racism Alliance, known as MARA. We were also guided by Black Lives of Unitarian Universalism and America's Black Holocaust Museum, both of whom responded generously when asked for advice.

One of the leaders recalls:

I'm pretty sure the list came from the Equal Justice Initiative (eji.org) in Montgomery. We got a lot of the material from them and they were very helpful in keeping us focused on telling the stories from the perspectives of Black Americans.

Also, I have this vague memory that Tuskegee Institute also has significant research archives.

The list seems congruent with <https://lynchinginamerica.eji.org/explore>

It is unknown what other sources members of the group may have used, if any.

Preface added July 2025
