F100	<p>Coffee House Evening with Sally & Wendy on Saturday, 10/5/19</p> <p>A Coffee House Evening at First Parish with Sally Sweitzer and Wendy Sobel on Saturday, October 5th, 7:30-10:30 PM Wendy Sobel and Sally Sweitzer have been playing as a duo and in numerous bands for 30+ years. The blend of their voices and the ease and precision that comes with a long-term friendship and musical alliance which makes their audiences feel that they are part of something special and intimate, and makes the Coffee House environment perfect for their shows. The event will also be opened up later to those outside of FPS. Buy some tickets in advance for your friends! Don't miss this opportunity to see Sally and Wendy perform together at the First Parish Church of Sudbury on the evening of Saturday October 5th from 7:30-10:30 PM. Tickets are available at the FP auction for \$15 dollars and will be available for \$20 at the door on the night of the show, which will be open to the public.</p> <p>Bio for Sally Sally Sweitzer has been on the music scene in Boston and beyond since the early 80's. Sally cut her musical teeth by singing the Blues with the famed Rocket 88's before forming her own group. Her band, Sally and the Sophisticatz, cut three records and played to sold-out crowds up and down the East Coast for close to a decade. Over the course of her career, Sally has taken the stage with many luminaries such as The Cars, John Mayall and Wilson Picket. Another longtime musical connection is the gospel group TVS, who played a Music Sunday a few years ago at First Parish. TVS recorded with many top musicians and producers over the years, such as their work on the sound track for the film Roan Inish. Today, Sally continues to perform with TVS and other larger bands, but prefers a more unplugged musical experience and has expanded into the folk and country musical genres, always bringing the soul and the power of her blues and R&B roots to anything she does. She has been described by a Boston Globe music critic as having "the soul of Billie Holiday and the power and grit of Janis Joplin".</p> <p>Bio for Wendy Wendy Sobel, guitarist, singer and songwriter has been an award-winning presence on the Boston music scene for many years. She has shared the stage with such acts as Karla Bonoff, Livingston Taylor, Dan Fogelberg, Lily Tomlin and Kathy Mattea to name a few. She has also toured with Canadian singer/songwriter Ferron. Wendy was a member of the wildly popular band Girls' Night Out in the eighties and can be seen at present performing in the New England area either acoustically or rocking out with a band.</p> <p><i>Donated by: Sally Sweitzer</i> <i>Minimum Bid: \$15.00</i></p>
